Dear Convention Deputies and Clergy,

Christ the King Center seeks to remain a valuable partner in ministry within the Diocese of Albany. To that end, we are endeavoring to be transparent about our financial situation. Last year there was a breakout session where I, along with members of the CtK Finance Committee, presented the CtK financial reports. Since we do not have that opportunity this year, the following reports are attached for your review:

- The financial picture for Year End 2019
- The current Year to Date 2020 status
- The preliminary draft of the 2021 budget (Note that this has not been reviewed or approved by any committee yet.)

If you have any questions, feel free to contact me or any of the following members of the CtK Finance Committee:

Randy Demler- randall.demler@gmail.com
Mother Miriam, CSM compunun242@gmail.com

Yours in Christ,
