The guidelines here are the minimum suggested stipend for 2022 for clergy serving parishes in the Diocese of Albany. **There is nothing to prevent congregations from providing compensation and benefits higher than those suggested.** Indeed, the salary and benefits committee is aware that in some circumstances, the minimum suggested amount may not be adequate. The committee is also aware of the negative impact the Covid-19 virus has had on the income of individuals, parishes, and the Diocese and the hardship of meeting expenses. Each congregation is urged to review their compensation package in light of their circumstances and the clergy's needs.

1.) Clergy compensation and benefits

During the twelve months, August 2020 through August 2021, the Northeast Region Consumer Price Index (Unadjusted) rose approximately 5.0%. Social Security benefits, surrounding Diocese and Episcopal Church data were also considered. Considering the present unstable and unpredictable immediate future economic culture, the Committee recommends that vestries increase their priest's stipend by 5.0% for 2022. The following table shows the recommended minimum and normative stipends for parishes of different income levels to pay their clergy in 2022.

It is important to note that the diocesan-recommended stipends represent only the cash salary paid to priests. Housing, Self-Employment Contributions Act (SECA), health insurance, Church Pension payments and travel expense reimbursement are not included. The suggested minimum stipend guideline for full-time curates and other full-time assisting priests is two thirds of the rector's stipend. The stipend for part-time priests should be proportionate to the time they spend working for the parish.

As in the past, if a vestry, or vestries of a group of congregations served by one priest, is unable to meet the minimum stipendiary guidelines they shall consult with the Bishop.

2.) SECA Payments

The IRS classifies clergy as Self-Employed for Social Security purposes and are responsible for paying their total Social Security assessments (SECA). The Diocesan recommended standard for parishes is that a minimum of one half of the Self Employment Contributions Act (SECA) payment be paid **to the clergy** by the parish.

3.) Minimum recommended compensation for supply clergy (priests and deacons).

\$130 for one Eucharistic weekend service.

\$25 for each additional service in the same weekend.

\$100 for weekday liturgical services

\$80 per unit for pastoral or other assigned responsibilities such as prayers at time of death, hospital visits, etc. A unit is a morning, an afternoon or an evening.

Expenses are reimbursed at cost for meals, lodging, parking, etc and at the IRS maximum approved rate for mileage. The mileage rate changes every six months. Please go to this address to find the latest rate:

4.) Church Pension Group

Church Pension Group participation is mandatory for clergy, including supply clergy, "if you are regularly employed for five or more consecutive months by the same employer and are compensated by your employer". If you would otherwise meet the criteria for mandatory participation except that you are expected to be employed for less than five consecutive months, you and your employer may choose to participate in the Clergy Pension Plan if you have a letter of agreement (or other contract of employment) that provides for the payment of Assessments on your behalf by your employer.

Laypersons scheduled to work more than 20 hours a week, or 1000 hours a year, for a church should be enrolled with the Church Pension Fund.

5.) Health Insurance

Clergy and family health insurance continues to be part of all clergy compensation packages of the Diocese of Albany. It is recommended that family dental insurance be provided as well.

Laypersons scheduled to work more than 30 hours a week, or 1500 hours a year, should be enrolled on parity with the clergy.

6.) Vacations

The normal vacation time for clergy in the Episcopal Diocese of Albany is a total of four weeks to include 5 Sundays for all full and part time priests and deacons serving as "in charge" regardless of how long they have served.
