**Strengths**

Members of the Mission engage in “ministry” through love and service of others in family, neighborhood, work, and larger community. Many members are involved in congregational support as well, e.g., through vestry, reading, greeting, altar care; etc. prayer team and leading services as needed. Our weekly Eblast newsletter is Emailed to over 70 people.

**Challenges**

We are an aging and relatively small congregation. A majority of the duties and responsibilities fall on a few individuals.

**Comments**

The gifts and skills we are looking for in our next priest are:

High quality preaching

Pastoral care skills

Comfortable with a range of theological views among members

Focused on empowering the laity as primary ministries of the church

Understanding of the needs of the aging
